

You can reach out to someone from across the world... right in your own home!

How would you like to show hospitality to a foreign student by inviting them for dinner this Thanksgiving or Christmas?

There are thousands of International Students in Ottawa and most are free during the holidays. Why not invite some students into your home to share one of these cherished Christian holidays with them? Many do not know the meaning of Thanksgiving or Christmas or why they're important. It's a great opportunity for you to show God's love to them.

How it works:

1. Sign up online at <http://friendsfordinner.ca> (make sure to select "Ottawa"). Explain a bit about your family setup and preferred time to host. Deadlines for registration: **Thanksgiving: Sep 24**
Christmas: Dec 10
2. We'll match you with 2 to 3 students and give you their contact information. We ask that you contact them within a week and arrange a date for the dinner.
3. It will be your responsibility to arrange transportation for them. You can pick them up from their residence if they are unfamiliar with public transit.
4. We'll send you some materials by email, which may help you understand your guest's culture a bit more.
5. Enjoy your meal with them!
